About Pia

Pia previously held the position of Director & Head of Procurement at Lufthansa. In this role, she was responsible for developing the Procurement Academy, assessing future skills and roles, and implementing innovative learning tools. Additionally, she led the creation of the communication strategy for Lufthansa Group Procurement and oversaw the recruitment and HR strategy.

Pia previously held the role of Director in the Negotiation Advisory Group. Pia designed, developed, and delivered negotiation training sessions. She also contributed to several high-stakes international negotiation and procurement projects across various industries, including automotive, pharmaceuticals, retail, and others.

Pia brings extensive leadership experience and deep insights into procurement strategies and processes across a wide range of industries. Her comprehensive knowledge and expertise enable her to build and lead strong procurement teams. She has developed and implemented programs aimed at cultivating these critical skills.

As an expert negotiator, Pia has extensive experience leading complex negotiation projects and creating learning and mentoring programs designed to enhance negotiation skills within teams.

Pia delivers work in German, English and French.
